Year-End Tax Planning For 2017

"NJ Stormwatch"

To check the status of MODC activities which may be affected by inclement weather conditions log on to www.wobm.com, www.943thepoint.com, and type *NJ Stormwatch* in the "search"

Year-end tax planning can provide most taxpayers with a good way to lower a tax bill that will otherwise be waiting for them when they file their 2017 tax return in 2018. Since tax liability is primarily keyed to each calendar tax year, once December 31, 2017 passes, your 2017 tax liability for the most part, good or bad, will mostly be set in stone.
