Quotes from previous MODC Education Foundation Scholarship Recipients

"Although I am a motivated student who wants to succeed, life has a way of throwing you roadblocks, making it hard to meet your goals. My journey to receive a college education and Bachelor's Degree has certainly not been easy. With the generous support of your organization, my dream of becoming a teacher has grown to be a possibility."

Shannon M. Xiques

"I am currently a psychology and elementary education major, pursuing my dream of becoming a school psychologist. Because the road to this dream is a long one that extends far into the future, it will surely be a financial challenge for a long time to come. I truly appreciate the recognition you gave my hard work and for the very generous scholarship you have given me to make my dream even more of a reality."

Rebecca G. Todd

"Receiving this scholarship means so much to my family and me. Thank you for your generosity. My ultimate goal is to become an elementary school teacher."
